MEMORANDUM FOR: Deputy Director (Science & Technology)

SUBJECT 25X1
NRO

1. The attached burn copy of an info copy received by Mr. McCone is forwarded for your information, study, and further action.
2. You might consider preparing a letter for DCI, commenting on the memorandum wherever comment is appropriate, perhaps suggesting that a representative of the DCI go to Eastman Kodak to get further information, and also possibly requesting how much money has thus far been obligated, apportioned, authorized, and spent.
3. What I have in mind is just keeping the needle in as hard as we can.

(Signed) Marshall S. Carter
